

Exhibit A

A screenshot of a mobile application's registration screen. The status bar at the top shows signal strength, LTE, battery level, and the time 6:00. The app's header is a grey bar with a back arrow and a square icon, followed by the title "Register". Below the header are two buttons for social login: "GOOGLE+" with a red "g+" icon and "FACEBOOK" with a blue "f" icon. A horizontal line with the word "OR" in the center separates these from the standard registration fields. The fields include "First Name" and "Last Name" (both empty), an email field containing "name@example.com", a phone field with a US flag icon and the number "(201) 555-5555", and a "Password" field. A large grey button labeled "NEXT" is positioned below the password field. The bottom of the screen features a black navigation bar with three white icons: a triangle, a circle, and a square.

The screenshot shows the Uber app's payment screen. At the top, there's a status bar with signal, Wi-Fi, and battery icons, and the time 6:00. Below that is a header with a back arrow, the Uber logo, the word "Payment", and a "PROMO CODE" field. The main section contains a "Credit Card Number" input field with a "SCAN" camera icon to its right. Below this are three input fields for "MM", "YY", and "CVV". Further down are fields for "U.S." (with a flag icon) and "ZIP". A large grey "REGISTER" button is centered below these fields. A horizontal line with the word "OR" in the center separates the card payment section from the digital wallet section. This section features two buttons: "PayPal" and "Google Wallet". At the bottom of the screen, there is a line of text: "By creating an Uber account, you agree to the [TERMS OF SERVICE & PRIVACY POLICY](#)". The very bottom of the image shows the Android navigation bar with back, home, and recent apps icons.
